36" Sealed Burner Rangetops

The patented, dual-stacked sealed gas burners of our new sealed burner rangetop take control to a new level. Two levels, really. The upper-tier burner delivers maximum heat transfer at higher settings; the lower-tier continuous flame ably handles the subtleties of simmering and melting. The Wolf exclusive infrared char-broiler and infrared griddle ensure this rangetop stands out from the rest in performance and also beauty. Available in natural or LP gas.

Model SRT366 shown.

Model SRT366

Model SRT364C

Model SRT364G
